MAY 7-8, 2019 | BOSTON PARK PLAZA | #NEPC\_CONFERENCE

## TAKEAWAYS FROM NEPC'S 24TH ANNUAL INVESTMENT CONFERENCE

### OUR ATTENDEES

### WHAT THEY SAID

*“Every company in the world has to face two major trends that society is demanding, not expecting, demanding. Society is demanding transparency... and convenience from every company they work with.”*

**Laurence D. Fink, Chairman & Chief Executive Officer, BlackRock**

*“A free press is not the enemy or the opposition, a free press is what makes America great.”*

**Jonathan Karl, ABC News**

*“We are well into the late cycle today, but that doesn't mean it won't last for three more years. I think what we are all worried about is the period after the late cycle, which isn't a transition at all. Late cycle to recession is an inflection point. It is a shift in markets to capital and economic contraction.”*

**Tim McCusker, Chief Investment Officer & Partner, NEPC**
