

TAKING STOCK: A SNEAK PEEK AT NEPC'S 27TH ANNUAL INVESTMENT CONFERENCE

NEPC Client Conference Committee

April 2023

We hope all roads will lead to Boston in May as NEPC kicks off its 27th Annual Investment Conference. We invite you to join us on May 9 and 10 at the [Renaissance Boston Waterfront Hotel](#) as we bring together our clients, colleagues and industry leaders to explore the [new investment landscape](#).

In addition to meeting your peers—chief investment officers, investment committee members, trustees, chairpersons and directors—you will also hear from our lineup of illustrious speakers. This year's experts include Howard Marks, co-founder of Oaktree Capital Management; Asha Mehta, founder and Chief Investment Officer of Global Delta Capital; David Bridges, senior geopolitical advisor at Fidelity Investments; and Ben Nemtin, New York Times Best Selling author and the former star of MTV's *The Buried Life*.

Participants will also hear from NEPC professionals. Our consultants and research specialists will discuss a diverse array of thought-provoking and timely investment topics, including opportunities in private markets and emerging economies, innovative approaches to portfolio management, and the implementation of diverse, equitable and inclusive practices. Also, back by popular demand are NEPC's optional pre-conference workshops.

We invite you to spend the two days at our 27th Annual Investment Conference establishing meaningful connections and engaging in insightful conversations with your peers, NEPC consultants and researchers, and industry professionals. We look forward to extending a warm welcome to our current and prospective clients. Space is limited, so please [register now](#) to secure your seat at the table!
